## THE HEAT REFLECTS AWAY, AND YOUR HOME STAYS COOL.

Landmark Solaris™ Collection is a brilliant breakthrough that puts cool roof technology to work for you. Plus, our palette of rich, authentic colors makes it an easy choice for eco-friendly living.

The secret is in CertainTeed's advanced roofing granules that reflect solar energy and radiate heat far better than traditional roofing shingles.

# a great reflection on your home and an industry-first!

The Landmark Solaris Collection forms a barrier between your roof and the sun that reduces your roof's temperature in the summer.

Choose from three spectacular solar shingle line-ups.

- Landmark Solaris™
- Landmark Solaris™ Gold
- Landmark Solaris™ Platinum - an industry breakthrough in solar reflectivity

The Landmark Solaris Collection is ecologically smart, beautifully durable, and architecturally ideal for sunny climates or anywhere solar heat is a challenge.

Landmark Solaris is also available in an Impact Resistant version in certain regions.
